Leadership Assessment

Evaluate your current leadership strengths and growth areas.

Rate yourself honestly on each statement from 1 (rarely true) to 5 (consistently true). There are no wrong answers — this is a starting point for growth, not a scorecard.

Vision & Purpose

Statement	1	2	3	4	5
I can clearly articulate what I am working toward and why.					
I regularly cast vision to the people I lead.					

Character & Integrity

Statement	1	2	3	4	5
My private life matches my public example.					
I keep commitments even when it costs me something.					

Communication

Statement	1	2	3	4	5
I listen more than I speak in most conversations.					
I can explain complex ideas simply.					

Empowering Others

Statement	1	2	3	4	5
I actively look for people to mentor and release into leadership.					

I delegate real responsibility, not just tasks.					
---	--	--	--	--	--

Resilience

Statement	1	2	3	4	5
I recover well from setbacks and criticism.					
I keep going when progress is slow or invisible.					

Reflection

Which dimension scored lowest? What is one practical step you will take this month to grow in it?

Which dimension scored highest? How can you use this strength to raise up someone else?
